Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the “Piney Fork Interceptor Lining Project” project in Fiscal Year 2026. The entity to receive funding for this project is the Municipality of Bethel Park, located 5100 West Library Ave, Bethel Park, Pennsylvania 15102.

Funds would be used to upgrade a sewage interceptor to prevent overflows during severe rain events. The project is an appropriate use of taxpayer funds because it proactively addresses this deteriorating infrastructure, preventing more costly emergency repairs or replacements in the future and ensuring the reliability and efficiency of its wastewater management system.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

---
