Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the “2nd Street Bridge Reconstruction” project in Fiscal Year 2026. The entity to receive funding for this project is the City of Jeannette, located at 110 South 2nd Street, Jeannette, PA 15644.

The funding would be used for reconstructing the deteriorated 2nd Street Bridge to restore safe passage for emergency and industrial vehicles and improve pedestrian accessibility with the addition of new sidewalks and ADA-compliant ramps. The project is an appropriate use of taxpayer funds because it enhances public safety, supports local economic activity by facilitating smoother transportation of goods, and improves community mobility and connectivity.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project and neither does anyone in my immediate family.

Sincerely,

Congresswoman Summer L. Lee
