Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the "Borough of Whitaker - Department of Public Works Facility" in Fiscal Year 2026. The entity to receive funding for this project is the Borough of Whitaker, located at 124 Grant Avenue, Whitaker, Pennsylvania 15120.

Funds would be used to construct a new public works facility that will house critical municipal equipment and provide indoor space for in-house maintenance operations. The facility will protect assets from weather damage, reduce long-term repair costs, and improve the Borough's ability to deliver core public services such as street maintenance, snow removal, and emergency response.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Congresswoman Summer L. Lee
