Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Housing Site Preparation and Infill Development Project - Allegheny County in Fiscal Year 2027. The entity to receive funding for this project is Allegheny County, located at 436 Grant Street, Pittsburgh, PA 15219. The funding would be used for supporting acquisition, predevelopment, and site preparation activities that will position vacant and publicly owned properties for housing development to enable the construction of at least 100 new homes. The project is an appropriate use of taxpayer funds because it would provide the resources needed to convert those inactive properties into development-ready sites and help address the countywide housing shortage.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42U.S.C.5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

---
