Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for McKeesport Intake/Raw Pump Station Project in fiscal year 2027. The entity to receive funding for this project is Municipal Authority of Westmoreland County, located at 124 Park and Pool Road New Stanton, PA 15672. The funding would be used to construct a new raw water intake and pump station, along with chemical feed equipment. The project is an appropriate use of taxpayer funds because it will ensure the continued, reliable operation of the treatment plant to provide drinking water and fire protection for the citizens of McKeesport and will also allow the plant to operate at full capacity which currently is hindered by the existing raw water pumps.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Summer L. Lee
Member of Congress
