Ranking Member
Committee on Appropriations

Dear Chairwoman Granger and Ranking Member DeLauro:

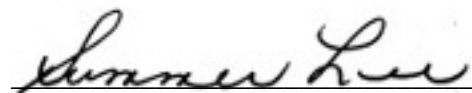

I am requesting funding for the Homewood Fields and Community Complex in Pittsburgh. The entity to receive funding for this project is City of Pittsburgh, located at 414 Grant Street, Pittsburgh, PA, 15219.

The funding would be used to build a state-of-the-art sports and community performance facility. The project is an appropriate use of taxpayer funds because it will provide the foundation for intensive collaboration between the city's anti-violence initiatives and key Homewood community institutions committed to helping young people invest in their own lives and value the lives of others, through violence interruption, job training, coaching, and interventions with spectators and parents.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Summer Lee
Member of Congress
