Hon. Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

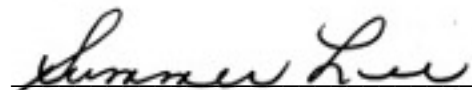

I am requesting funding for SR 2046, Streets Run Road Resurfacing in fiscal year 2024. The entity to receive funding for this project is Pennsylvania Department of Transportation, located at 45 Thoms Run Road, Bridgeville, PA 15017.

The funding would be used for repairing the entire length of SR 2046 from Brownsville Road to the ramp to SR 885 (Mifflin Road), which is in deteriorating condition, with poor pavement quality and increasing risk of landslide. The project is an appropriate use of taxpayer funds because SR 2046 is a main artery in and through Baldwin Borough with commercial, industrial, and residential properties generating high-traffic volume, links communities to UPMC Outpatient Center and Jefferson Hospital, and is under dire need of repair, having gone many years since replacement.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Summer Lee
Member of Congress
